

Bayfield Peninsula Energy Alternatives
Meeting Minutes
April 11, 2018 (amended 4/25/2018)

-Discussion of April 4th Routing Workshop

- Would have been helpful to have an engineer present to help with detailed questions
- More context from Xcel would have helped with evaluating routes
- Most working groups chose the existing line as the preferred alternative; need to be sensitive to impacts to residents on existing line
- Powerful message to witness 60+ community members working together
- Thanks to Kim, Jim, Ian and Lynne

-Next Steps:

- Create a summary of workshop (Dennis, Lynne, Lorraine, Phil)
- Work on evaluation of routes – Kim, Bill R, Kathleen, Jim M, Susan H, Susan R
- Provide update to County during public comment on April 17th (use workshop summary; all 5 towns have provided letters of support for ranking criteria) – Roy
- Use workshop summary to update Town Boards (many have annual meetings on 4/17)
- Use workshop summary to write Op Ed for newspaper – Ed
- Ask Ellen for 'Summary Data Table' and route analysis documents - Wendy
- Continue communication and collaboration with Xcel – Roy will contact Ellen
- Committee on Environment & Energy – put on hold
- Contact Danielle Kaeding – John A

-Next meeting: Monday April 23rd 6pm, Washburn Public Library
